A NATURAL REMEDY.
Suiited to our constitution, and competent to the cure of
every curable disease, will be found in
**Wright's Indian Vegetable
PILLS,**

Of the North American College of Health.
These extraordinary Pills are composed of Plants which
grow spontaneously on our own soil; and are therefore, better
adapted to our constitution than medicines concocted from
foreign drugs. However well they may be compounded; and as
the **INDIAN VEGETABLE PILLS** are founded upon
the principle that the human body is in truth

Subject to but one DISEASE,
viz: corrupt humors, and that said medicine cures this disease
on

NATURAL PRINCIPLES,
by cleansing and purifying the body; it will be manifest
that, if the constitution be not entirely exhausted—a persever-
ance in their use, according to direction, is absolutely certain
to drive disease of every name from the body.

THE INDIAN VEGETABLE PILLS
will be found one of the best, if not the very best medicine in
the world for carrying out this

GRAND PURIFYING PRINCIPLE,
because they expel from the body all morbid and corrupt humors
(the cause of disease) in an easy and **NATURAL MAN-
NER;** and while they every day

GIVE EASE AND PLEASURE,
disease of every name is rapidly driven from the body.

The above named **INDIAN VEGETABLE PILLS**, have
been three years before the American public; and we can now
say without fear of contradiction, that of all the various medi-
cines which have heretofore been popular, not one has given
such universal satisfaction or obtained such a permanent hold
upon the affections of the people. Not only do all who use it
invariably experience relief, and recommend it in the strongest
terms, but it has effected some of the most astonishing cures
ever performed by medicine.

Hitherto, very few of the numerous testimonials which have
been received in favor of this extraordinary medicine have been
published, as the medicine obtained its present celebrity
more by its own intrinsic goodness, than from extensive adver-
tising. It has been deemed proper, however, to offer the fol-
lowing opinions of the public press, merely to show that the
fame of the Indian Vegetable Pills is not confined to any one
section, but is rapidly extending itself to every part of the Un-
ion.

From the Philadelphia Saturday Evening Post.
"THE INDIAN VEGETABLE PILLS."

Wright's Indian Vegetable Pills are attaining great cele-
brity in New England as well as other parts of the United States.
The attempt of persons to defraud the public by the sale of
spurious articles, meets with general reprobation. Mr. Wright
is an indefatigable business man, and shows an array of cures
by the medicine, which warrant confidence in the virtues of his
Indian Vegetable Pills.

From the Boston Daily Times.
INDIAN VEGETABLE PILLS.

Of all the public advertised medicines of the day, we know
of none that we can more safely recommend for the "ills that
flesh is heir to," than the Pills that are sold at the depot of the
North American College of Health, No. 189 Tremont Street,
Boston. Several instances we know of, where they are used
in families with the highest satisfaction; and no longer ago
than yesterday, we heard an eminent physician of this city, re-
commend them in high terms. These used to be in the com-
munity a great repugnance to the use of QUACK MEDICINES,
as they are indicated by their name, but it was only owing to
the regular M. D.'s constantly denouncing them. They are,
however, becoming more liberal in this respect, and the conse-
quence is that good vegetable medicines are now more exten-
sively used than formerly.

CAUTION.
This is to inform the public, that all genuine medicine has on
the side of the boxes

WRIGHT'S INDIAN VEGETABLE PILLS,
(INDIAN PURGATIVE).

Of the North American College of Health.

And also round the border of the label, will be found in small
type, "Entered according to the act of Congress, in the
year 1840, by Wm. Wright, in the Clerk's Office of the
District Court of the Southern District of New York."

The public will also remember that all who sell the genuine
Indian Vegetable Pills, are provided with a certificate of agen-
cy, signed by

WILLIAM WRIGHT, Vice President
Of the North American College of Health
and that Dealers are never in any case allowed to sell the genu-
ine Medicine. All travelling agents will be provided with Cer-
tificates of Agency as above described; and those who cannot
show one will be known as base impostors.

NEARLY SEVEN YEARS.**

Benjamin Brandreth's Pills.

THIS vegetable and truly innocent medicine, puri-
fies the blood, and immediately stays the fur-
ther progress of disease in the bodies of those who
suffer from it, and is not already exhausted. Where human
means can avail, there scarcely is any complaint, or form
of sickness, that the BRANDRETH PILLS do not relieve
and generally cure. Although these pills produce a
rue effect, that effect is not to prostrate the body,
as with other medicines, but the frame is invigorated by
the removal of the cause of weakness, the morbid, the
vitiated humors from the blood.

Harmless in themselves, they merely
ASSIST NATURE

To throw out the occasion of sickness from the body,
and they require no alteration in the diet or clothing.
In fact, the human body is restorable to its natural health,
and the influence of the weather, while under the
influence of this INFECTIOUS DESTROYER, DISEASE
ERADICATING MEDICINE, than at any other time.

The importance of Brandreth's Pills for seamen and
travellers is, therefore, self evident.

By the timely use of this Medicine how much anxiety
and sickness might we not prevent! Cold, Bilious af-
fections, Typhus, Scarlet and fevers of all kinds, would
be unknown! But where sickness does exist, let no time
be lost, let the BRANDRETH PILLS be at once sent for,
that the Remedy may be applied, without further loss of time.

—TO BE REMEMBERED—

That Brandreth's Pills have stood a seven years' test
in the United States.
That they are a vegetable and innocent medicine, yet
all powerful for the removal of disease, whether chronic
or recent infections, or otherwise.

That they purify the blood, and stay the further pro-
gress of disease in the human body.

That, in many cases, where the dreadful ravages of
ulceration had laid bare ligament and bone, and where,
to all appearance, no human means could save life,
have patients by the use of these pills, been restored to
good health, the devouring disease having been com-
pletely eradicated.

NEW LABELS.

The New Labels on a single Box of the Genuine
Brandreth's Pills, contain

5063 LETTERS!!!!!!

In consequence of the great variety of Counterfeit
Labels of BRANDRETH'S PILLS, and which, in
many instances, so nearly resemble the original ap-
pearance of the old style, as often to deceive the
unwary; Doctor Brandreth, acting under a sense of du-
ty to the public, has employed those celebrated artists,
Messrs. Perkins & Durand, who have succeeded in pro-
ducing at great cost three New Labels, from steel, of ex-
treme difficulty of execution, and which, in red ink, nearly
two hundred times—the top & under label containing, there-
fore, upwards of five thousand letters.

The Border of the top, and also of the under label, is
composed of the most elaborate and elegant floral de-
signs. To crown the climax of these beautiful labels,
the paper upon which they are printed is previously
printed with Red Ink, after a design so exquisite and
minute as to defy competition; the top and the under
label each contain the words "B E N J . B R A N D -
R E T H ' S P I L L S . " written in red ink nearly two
hundred times—the top & under label containing, there-
fore, upwards of five thousand letters.

There is also upon the top, the under, and the side
label, two signatures of Dr. Brandreth; one being his
regular signature thus—B. Brandreth; and the other his
full signature, thus—Benjamin Brandreth; both being
facsimiles of the writing of Dr. Brandreth, to imitate
which is forgery.

The Brandreth Pills having these labels upon them,
can be relied upon as the true and genuine.
